

STATE PARKS GENERAL PLAN UPDATE: EL CAPITAN, REFUGIO, AND GAVIOTA

DRAFT EL CAPITAN STATE BEACH VISION STATEMENT

El Capitán State Beach is a well-stewarded coastal recreation area where natural beauty, ecological health, and cultural heritage are sustainably managed for future generations. Visitors enjoy recreation options including backcountry trails with awe-inspiring views and connections to regional trails, beach access, camping and overnight experiences, and interpretive elements that deepen understanding of the area's past, present and future.

Sustainable visitor amenities, infrastructure, and park operations are designed and maintained to adapt to changing conditions and environments, ensuring rewarding experiences for all visitors along the Gaviota Coast. The park fosters connection and reflection in addition to providing active recreation and furthering regional efforts to build resilience along the Gaviota Coast.
